Liebe Group in 2017

The Liebe Group has a busy year scheduled for 2017. This year we also celebrate the milestone of 20 years since the inception of the group.

There are three major events planned for 2017 - Crop Updates, Women's Field Day and Spring Field Day as well as a number of subsidiary events and workshops.

The 2017 Main Trial Site will be back to where it all began in 1997, located in west Buntine, on Dodd's property.

Membership Benefits

- Members price admission into all Liebe Group events;
- The opportunity to network with other members, industry organisations and researchers;
- Access and understanding of high quality Research & Development projects with opportunities of working closely with leading Australian researchers;
- Assistance from our full time Research Agronomist & Coordinator with on-farm trial work; and
- Having an input into the future direction of sustainable agriculture in WA.
- Opportunities to be on Liebe Group committees.

Events

Crop Updates

Held on Wednesday 1st March 2017, the Crop Updates is designed to assist in preparations for the upcoming season, highlighting the latest research, technology, market development and business management innovations.

Women's Field Day

Held on Tuesday 20th June 2017, this day is aimed at increasing the management capacity of women to build a sustainable future for their family, farm business and the agricultural industry.

Post Seeding Field Walk

Held on Thursday 20th July 2017, this members-only field walk provides a comprehensive overview of the trials conducted on the Liebe Group Main Trial Site including trial research progress and predictions.

Spring Field Day

Held on Thursday 14th September 2017, this interactive field day showcases the latest local research and development, which has been co-ordinated on one convenient location at the Liebe Group Main Trial Site .

Trials Review Day

The Trials Review Day is generally held in February each year, providing an opportunity for members to discuss local research in depth with leading researchers.

Annual Dinner & End of Year Celebrations

These two social events bring together members to celebrate and network with other Liebe Group members and partners.

Publications

Monthly Newsletter

A targeted, non-commercial newsletter, tailored with technical information, relevant articles and important dates for Liebe members.

Monthly E-news

An electronic newsletter, providing short & sharp pieces of information and dates tailored for Liebe members.

Research & Development Results Book

A comprehensive compilation of the majority research activities conducted within Liebe area, published in February each year.

Other Opportunities

Field Trials and Farmer Demonstrations

Aimed at investigating solutions to local constraints to production and capturing the wealth of farmer research in the area.

Workshops

Opportunity for multiple workshops to increase grower capacity in the areas of financial, agronomics and business management and personal development.

Farmer Study Tours

Opportunity to visit other farming regions on organised farmer study tours. These tours provide gain insight into alternate farming systems to bring back innovative ideas to your family farm.

Networking

Mix and network with other members and industry partners and work closely with leading Australian researchers,
